## About

### Leap into Leadership Online

Leap into Leadership Online is a series of free, online modules designed to develop employability and leadership skills. The modules are available to all current Monash students and can be completed at any time during a Monash degree.

The full list of modules includes:

- **Foundations of Leadership:** Creating a better world
- **Committees 101:** Meetings, minutes and management
- **Communicate with Impact:** Make yourself heard
- **Connecting Across Cultures:** Becoming a global citizen
- **Creativity & Innovation:** Challenge the status quo
- **Event and Project Management:** Get the results you want
- **Goal Achievement:** Strategies for success
- **High-performing Teams:** Work and win together
- **Personal Brand:** Stand out from the crowd
- **Professionalism & Career Skills:** Thrive in the world of work
- **Strategic Thinking:** Solving complex problems
- **Successful Mentoring:** Training for Mentors and Mentees
- **Time Management and Prioritisation:** Be organised and efficient

Each module takes about two hours to complete and requires the student to review content then apply their knowledge via various quizzes and short-answer questions. The student must pass the module in order to attain a completion certificate.

### Champions Program - Twelve Star Achievement

The Leap into Leadership Online Champions Program - Twelve Star Achievement is awarded to students who have completed twelve Leap into Leadership Online modules. It is possible to complete a module more than once. Jin Chun has successfully completed 13 modules.
